The name of Walter was first introduced into England during the reign of the Conqueror and after the Conquest, Walter soon became one of the most popular of Christian names.

The first recorded Walter was the Prince Walther of the "Chanson de Roland." Three saints also took the name of Walter and Sir Walter Raleigh helped popularize it. The grant of arms back to 1189 during the reign of King Henry II when Walter founded his house of Butteville, Marquesses of Ormonde.

The name is derived from the ancient personal name Wealdhere, meaning "master." The Germanic form of the name is meaning "mighty." The Walter name found as Waute without an "l," the actual form then. In Ireland, the form was Waters to a prominent Cork. It is next to impossible by hand to move to hole. Maybe this will help. Move the door so it is the spring to its fullest with the door set in the position. Insert nails between coils. Put them in on the opposite side to where you'll be so if the spring kicks out, a nail won't get you with the nails in place, the spring won't go back all the way. Put in enough nails so the spring will be long enough to hook into the next hole.

A HANDY REMINDER—
Does every member of your

resources, which have combined to present the country with a situation of crisis proportion," he said.

Energy demand compared with gross national product output declined by just over one per cent a year from 1947 to 1966, but has reversed to increase in the last few years, he said.

ice and cause the collision, Braniff and Texas national, to skip out of new airport to compete Southwest, the cities said. This, say the cities, cause a revenue drain could endanger the airport's ability to pay about \$42 million in bonds indebtedness.

But Eichner says "economics" would be aiff and TI from revenue. It would be for the two to maintain a splendid most of them will be coming from traffic at the airport, Eichner said.

Eichner said he could not open a new airport with opening a new airport saying "It is the only way to have remained as it was but Southwest has been ed. testimony is coming from the Southwest, the Southwest take a week to get Taylor to a new judicial court in the U.S. Fifth Circuit.

It will resume the value of the valuation completed in high in March, to help make up for the loss of time lost during the war and put the project back on track.

Airport

During the month the TRANS system for transferring passengers from one terminal to another was put in operation between two of four terminals and is being tested under automatic control.
